JONAIDAH M. CARIS

FRONTEND DEVELOPER INTERN

Marawi City, Lanao del Sur | jmcarisss@gmail.com | +63 915 2456 709 | github.com/JC-glitchsys

SUMMARY

BSIT student majoring in Database Systems seeking a Frontend Developer internship, with hands-on experience building responsive web applications using React.js, Tailwind CSS, Node.js, and Firebase. Experienced in UI development, API integration, database management, and manual QA testing.

SKILLS

Languages: HTML, CSS, JavaScript
Frameworks/Styling: React.js (Vite), Vue.js, Tailwind CSS
Databases & Cloud: Firebase (Firestore, Authentication, Hosting), MySQL
QA/Testing: Manual testing, test case documentation (TestRail)
Tools: Git/GitHub**,** Figma, Canva, IbisPaint
Soft Skills: Collaboration and teamwork, attention to detail, deadline management, adaptability

PROJECTS

LAKBAY LANAO: A Chatbot-Enabled Web-Based Tourist Guide System for Lanao del Sur **2026**
UI Designer, Frontend Developer, QA | React.js, Tailwind CSS, Node.js, Express.js, Firebase (Firestore, Auth, Hosting), ChromaDB, Cloudinary, Google Maps API

- Developed a responsive web platform using tourism-related data gathered in coordination with the Provincial Tourism, Culture, and the Arts Office (PTCAO) of Lanao del Sur.
- Built the user interface with React.js and Tailwind CSS, integrating the Google Maps API for interactive destination tracking.
- Built a Retrieval-Augmented Generation (RAG) workflow utilizing ChromaDB as a vector store for the AI chatbot feature.
- Implemented a Node.js/Express.js backend API and managed data storage, secure user authentication, and application hosting via Firebase, utilizing Cloudinary for media storage.

MSU Learning Management System **2026**
Frontend and Backend Developer | React.js, Tailwind CSS, Node.js, Firebase (Firestore, Auth)

- Developed responsive frontend interfaces for course content, activities, and student interaction using React.js and Tailwind CSS.
- Redesigned the system's data structure, migrating from MySQL to Firebase Firestore for a more flexible NoSQL data model.

EXPERIENCE

Layout Editor/Artist - The Cursor, MSU CICS, Marawi City **February 2025 – Present**
Mindanao State University - Marawi City

- Structured and organized written and visual content to establish clear information hierarchy, readability, and logical content flow.
- Applied design principles in typography, whitespace, alignment, and visual hierarchy to create clean, minimalist, and professional layouts.
- Collaborated with writers, editors, and fellow artists to develop polished publication materials and complete projects within strict deadlines.
- Reviewed and refined page layouts for accuracy, readability, and consistency, applying structured, user-focused design principles.

EDUCATION

Bachelor of Science in Information Technology major in Database Systems **2022 – January 2027**
Mindanao State University - Marawi City *Expected Graduation*

ASA Tertiary Education Assistance Program (TEAP) Scholar | December 2025 - Present

ELIGIBILITY & CERTIFICATIONS

- Civil Service Examination (CSE) Professional - May 2025
- Introduction to Visual Graphic Design - TESDA, 2025
- Artificial Intelligence Fundamentals - IBM SkillsBuild, 2025
- Introduction to Cybersecurity - Cisco, 2025
- Networking Basics - Cisco, 2025
